PROACTIVE PROTECTION

QUALITY WATER STARTS WITH
A WHOLE HOME PFOA/PFOS
FILTRATION

Proactive **PROTECTION**

Safeguard your home with a whole home PFOA/PFOS filtration

When it comes to you and your family's health and safety, it all starts with water. We're proud to offer solutions that give our customers the peace of mind that comes with good-tasting, high-quality water throughout the home.

Contaminants like chlorine and PFOAs can linger in untreated water, and can even cause adverse health effects. With the Pentair® FloPlus Protect 20BB, it's never been simpler and more affordable to defend your home's water and significantly reduce the presence of these contaminants.

Features and benefits

- ▶ Extremely fine filtration to 0.5 microns reduces a wide array of contaminants—including up to 98% of PFOA/PFOS, commonly referred to as "forever chemicals."
- ▶ Fibredyne™ technology maintains high flow rate with low pressure drop.
- ▶ Built-in pressure relief on inlet side of housing.

FloPlus Protect 20BB
PFOA/PFOS Filtration

Experience peace of mind in knowing your family can enjoy quality water from every tap

PROACTIVE PROTECTION

Prolonged exposure to chemicals like PFOA/PFOS through drinking water can be harmful to your health. That's why the Pentair® FloPlus Protect BB20 is engineered to reduce up to 98% of these contaminants throughout your home, regardless of your water usage.

SUPERIOR FILTRATION TECHNOLOGY

This system comes standard with our proprietary Fibredyne filtration technology that provides free chlorine reduction

and depth filtration, minimizes plugging, and ensures consistent water pressure over the life of the product.

ACCESS TO EXPERTS

A **water treatment professional** can give you an accurate view of what's in your water, tell you what's affecting its quality and install the filtration system that's right for your water, your home and your family.

BETTER WATER FROM PENTAIR

Pentair has been delivering smart, sustainable water solutions to homes throughout the world for over 50 years. From water treatment solutions for kitchen to bath to whole home, everything we do supports our belief that families everywhere should have reliable access to clean water.
